## COUNCIL CHAMBERS

This week children from Years 4 and 5 went to the Birmingham Council Chambers to give a speech on the positives of Lozells.

Every one of the children stood up and eloquently presented their speech in front of Councillor Waseem Zaffar and 120 students from other schools in the area.

The children represented Anglesey Primary School fabulously and we are looking forward to the next few debates where the children will start looking at how Lozells can be improved.

## KS1 SATS MEETING

Thank you to everyone who attended the KS1 SATs meeting this morning. KS1 SATs are not statutory this year, however, the children will be taking the papers and this will help to support the teachers' judgements about how your child has done this year.

'There is now no statutory requirement to carry out end of key stage 1 (KS1) teacher assessment. This guidance has been produced to help schools who still wish to use teacher assessment (TA) frameworks to inform their classroom practice so that they can get the best from them.' (Standards and testing Agency)

'The reception baseline assessment (RBA) will replace the end of KS1 assessments as the baseline for cohort level primary progress measures. It became statutory in the academic year 2021 to 2022, and the reception cohort from that year reach the end of KS1 in the academic year 2023 to 2024.'
