Instructions to setup account and password

You will get an email from bromcom computers or mychildatschool – there will be a small blue link that says 'here' this will open the password page.

The password must be 8 characters long and include a capital letter like P, a number like 4 and a symbol such as ? ! - @.

Once this password is accepted you can then use this password with your email to login to the app downloaded as instructed above.

Using the app

Store – This is where you will find things like book bags.

Trips – This is where school trips and paying for them will be.

Outstanding payments – Any trips that have not been paid for or any one-off charges will be in here.

Dinner – This is where you can see the dinner balance and pay for it.

Announcements – looks like a megaphone, you can find important news and report your child's absence here.
