## MESSAGE FROM MR PEMBLETON

Dear Parents/Carers

As Week 6 of the term comes to close, it's natural to see children starting to tire a little. The first half of the autumn term is always full of learning, excitement, and routines — and by now, our pupils have worked incredibly hard to settle back into school life.

This is the time when **high expectations, clear routines, and strong relationships** make all the difference. We continue to encourage every child to do their best, to show kindness, and to make positive choices every day — and your support at home helps enormously with this.

A reminder that **Parents' Evening will take place on Wednesday 15<sup>th</sup> October 3.30pm-6.00pm**. This is a valuable opportunity to meet your child's class teacher, look at the work they've been doing, and discuss the targets we've set to help them achieve even more. Working together ensures your child continues to make great progress. Make sure that you have booked an appointment.

Thank you for your continued support and partnership — together, we make a powerful team for our children.
