MESSAGE FROM MR PEMBLETON

Dear Parents and Carers, ❄️

Thank you for your understanding, patience and support during the recent **snow day closure**. We know these decisions can be inconvenient for families, and we really appreciate the positive way our community worked together to keep everyone safe.

Welcome back to school as we begin the **Spring Term** – we hope you and your families had a happy, healthy and restful break. On behalf of everyone at Anglesey Primary School, we wish you a **Happy New Year** and look forward to another successful term together.

☀️ **This Term at Anglesey**

Our assemblies this term are focused on the value of **Success**. The children have already been exploring some important messages:

- Success takes **time**

- Success cannot be **rushed**
- Success happens when we take things **step by step**

These messages are helping children to build resilience, perseverance and pride in their learning.

Parents' Evening

Our **Parents' Evening** will take place on **Wednesday 21st January**.

Appointments can be booked **online** or by speaking directly with your **class teacher**. This is an important opportunity to celebrate your child's progress and discuss next steps.

Communication

A big thank you to all parents who are connected to their **class WhatsApp groups**. We can already see the positive impact this is having on communication and sharing key information quickly and clearly.

Thank you, as always, for your continued support. We look forward to working closely with you throughout the Spring Term.

Warm regards,
Adrian Pembleton
 Headteacher

SAFEGUARDING QUESTION

TRIVIA OF THE WEEK

Popularised by a Christmas theme: This cyber attack sets off all alerts (lights) on all cybersecurity programs all at once. This attack is a multi-vector cyber attack, as it tries to brute force all available vulnerabilities at the same time.

A. Abba Attack

B. Christmas Tree Attack

C. Candy Cane Attack

D. Rudolf Attack

Answer from last time was: B

TRIVIA OF THE WEEK

Which two of these activities should you be aware of at all times when it comes to physical security. Bypassing physical security can lead to unauthorised use of IT equipment or a breach of data.

A. Shoulder Surfing

B. Watching youtube

C. Following someone into a building

D. Using a printer

Answer next week...

ATHLETICS COMPETITION

The Year 5/6 athletics team represented Anglesey Primary at a tournament on Thursday. Out of 12 schools, Anglesey finished in a very respectable 4th place, narrowly missing out on 3rd.

Waleed, Haniyah, Manasseh and Mawadda were chosen by the School Games organisers for showing great pride and determination throughout their events and received these fantastic badges.

A special mention also goes to the boys, who won every single track event they took part in – a fantastic achievement.

A big thank you to Mrs Patterson for arranging this and for the staff who helped out on the day.

BOOK CHOICES

ABSENCES

Reminder!

You must report any absences on the MCAS APP or phone the school if your child is absent. If you don't, they will be marked as unauthorised absences.

Thank you.

BADMINTON SUCCESS

We have made it to the Greggs national newsletter!

Serving up success: how Anglesey Primary's badminton club is fuelled by the Feeding Brighter Futures grant

📅 23 days ago | ⌚ 5 min read

When Anglesey Primary School in Birmingham received a request from year 6 pupils to run a Badminton club, it was music to the ears of school Business Manager, Brian Baughan. A keen badminton player himself, he was keen to take a lunchtime club and turn it into something bigger. As the informal lunchtime games began to be a regular Friday activity amongst year 5 and year 6 pupils, he realised there was an opportunity to do something more for pupils.

When talk of an after-school club saw requests to join surge, Mr Baughan started to look at ways to support the growth of the club with access to coaching and equipment that could benefit the wider school community.
