

☀️ Join Our Specialist Autism Resource Base ☀️

Class Teacher – Enhanced Provision for Pupils with Autism Full-Time | MPS/UPS + SEND Allowance (if appropriate) | Permanent

Are you passionate about inclusive education and committed to making a real difference in the lives of children with Autism?

At **Anglesey Primary School**, we are seeking a compassionate, skilled, and enthusiastic class teacher to join our **Autism Resource Base**—a nurturing, high-support environment for up to 10 pupils, all with a diagnosis of Autism Spectrum Disorder (ASD).

This is a **unique opportunity** to work in a purpose-designed classroom with a high adult-to-child ratio and a team of committed staff. You will benefit from a strong culture of collaboration, support, and ongoing training to help every child thrive academically, socially, and emotionally.

We offer:

- SEND allowance for the successful candidate
- High adult-to-child ratio
- Ongoing training and specialist support
- A well-established and respected resource base provision
- A warm, inclusive and supportive school ethos

We're looking for someone who:

- ✓ Has experience of or a strong interest in working with children with Autism
- ✓ Is nurturing, patient, and committed to inclusive practice
- ✓ Plans creatively to meet a wide range of needs
- ✓ Uses structured teaching approaches such as TEACCH, visual supports and sensory regulation strategies (training provided if needed)
- ✓ Works well as part of a multidisciplinary team
- ✓ Builds positive, trusting relationships with children and families
- ✓ Believes in the potential of every child

If you are ready to be part of a setting where **every small step of progress is celebrated**, and where **children are truly known, valued, and supported**, we'd love to hear from you
