

## Anglesey Parent Newsletter Week 33

### Message from Mr. Pembleton

*The first week of our final half term has flown by and serves as a reminder of just how quickly time passes in school. Before we know it, we will be celebrating Sports Days, transition events, performances, reports, and saying goodbye to another group of Year 6 pupils as they move on to the next stage of their journey. It is a timely reminder that every moment matters. Every lesson, every conversation, every encouragement, every smile and every opportunity we provide can make a lasting difference to a child. The days may sometimes feel long and busy, but the weeks and years pass remarkably quickly.*

### Assembly Theme 🤖

In the first adventure, children met Bolt, a robot found in a forgotten corner of the city. Although he had all the right parts, he could not move because he was missing his Power Core. With the help of his chip-loving seagull friend, Gull, Bolt set off on a journey to find the spark he needed. Along the way, Bolt discovered that success does not come from being perfect. Even when things went wrong, he kept trying, learning something new from every attempt. In the end, Bolt realised that the real spark for success is having the courage to start and the determination to keep going. The story reminded children that success begins when we have a go, take positive risks and believe in ourselves.
