MESSAGE FROM MR PEMBLETON

Anglesey Primary School – Weekly Update

Dear Parents and Carers,

It has been wonderful to welcome everyone back to Anglesey and see our children settling so positively into the new school year. Thank you to all our families for helping us make such a strong start.

Visitors to School

You may notice more visitors around school this year. We have accessed additional support from external professionals to help us continue improving the education and provision we provide for our children. Please join us in making our visitors feel welcome at Anglesey.

Specialist Computing

We are pleased to have introduced specialist Computing teaching as part of our curriculum this year. We hope this will be an exciting addition for our pupils and help them further develop their confidence and skills with technology.

★ Attendance

Congratulations to SL1, SL2, 2B and 4D for achieving an amazing 100% attendance this week, and to 6Z for achieving 98%!

Whole-school attendance currently stands at 95.2%. This is slightly below where we were at the same point last year, so we need everyone's help to make every school day count.

Thank you for your continued support and for a fantastic start to the year.

Anglesey Primary School Community Celebrations

MESSAGE FROM MRS SHEFFIELD

A Warm Welcome

It has been a real pleasure to begin my journey as Deputy Headteacher this week, and I would like to take this opportunity to introduce myself and share how delighted I am to be part of our school community.

I have been incredibly grateful for the warmth and kindness shown to me by the families I have had the opportunity to meet so far. Your welcome has made my first week a particularly positive and memorable one, and I very much look forward to getting to know more of our families as the year progresses.

I have also been truly blown away by how quickly and positively our children have settled back into school. It has been wonderful to see them arriving each day with such enthusiasm and readiness to learn. I have been particularly impressed by the high-quality work I have seen across the school, as well as the positive learning attitudes and resilience demonstrated by our pupils. There is a real sense of ambition and purpose in our classrooms, and it has been a privilege to see this in action during my first week.

As we begin the new academic year, I am excited about the opportunities ahead and feel very fortunate to be working alongside such a dedicated staff team, supportive families and, most importantly, our wonderful children.

I look forward to working in partnership with families throughout the year and to playing my part in supporting and celebrating our children as they learn, grow and develop. I am excited to see all that they will achieve over the course of this academic year.

Thank you once again for such a warm welcome. I am very much looking forward to the year ahead.

Mrs Sheffield

MESSAGE FROM THE TEACHERS

Oak practiced positive affirmations during our first week back at school. Children wrote three positive words that they would use to describe themselves, and these images hang proudly in our classroom as daily reminders 😊

A message from Mr O'Connell - the children in 4O have settled in really well. They are eager to learn and they are willing to share their ideas, especially in maths. All of the children look smart and their uniforms reflecting the school's value of being proud to be at Anglesey.

BREAKFAST CLUB

Give Your Child the Best Start to the Day!

Our Breakfast Club is the perfect way to start the school day! Children can enjoy a nutritious breakfast, catch up with friends and take part in a calm and positive start to their morning before learning begins. It also gives families a stress-free start to the day, knowing their child is safe, happy and settled at school. Why not make Breakfast Club part of your morning routine? We'd love to welcome your child!

Don't forget, it is free from 8:15am!

Ambition Pride Success

Aspire & Succeed

An award-winning organisation in Birmingham

We were founded by local residents following the 'Lozells riots' of 2005 as a community-led mission to win change and shape the story of where we live.

We quickly moved from a Sunday morning project at the old Holte Leisure Centre to an award-winning organisation located in the heart of the area, focused on youth and community work, advocacy and after-school tuition.

Rooted in the stories of our neighbourhood we have an unflinching commitment to improve the lives of local people regardless of background. We strive to do this through effective project work and by applying the craft of community organising. So, thank you for visiting our website and please spend a few minutes at the end to let us hear your views and comments.
